**EXAMINER'S STATEMENTS OF REASONS FOR ALLOWANCE** 

1. Claims 1-19 are allowable over prior art because related references do not disclose

obtaining channel estimation values by calculating a weighted sum of average values of pilot

symbols in a pilot block; and controlling the weighting of the sum of the average values of the

pilot symbols in response to a rate of channel fluctuations by using the pilot symbols included in

the pilot blocks.

Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Curtis B. Odom whose telephone number is 571-272-3046. The

examiner can normally be reached on Monday- Friday, 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen Chin can be reached on 571-272-3056. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
